WHITING SCHOOL
of ENGINEERING

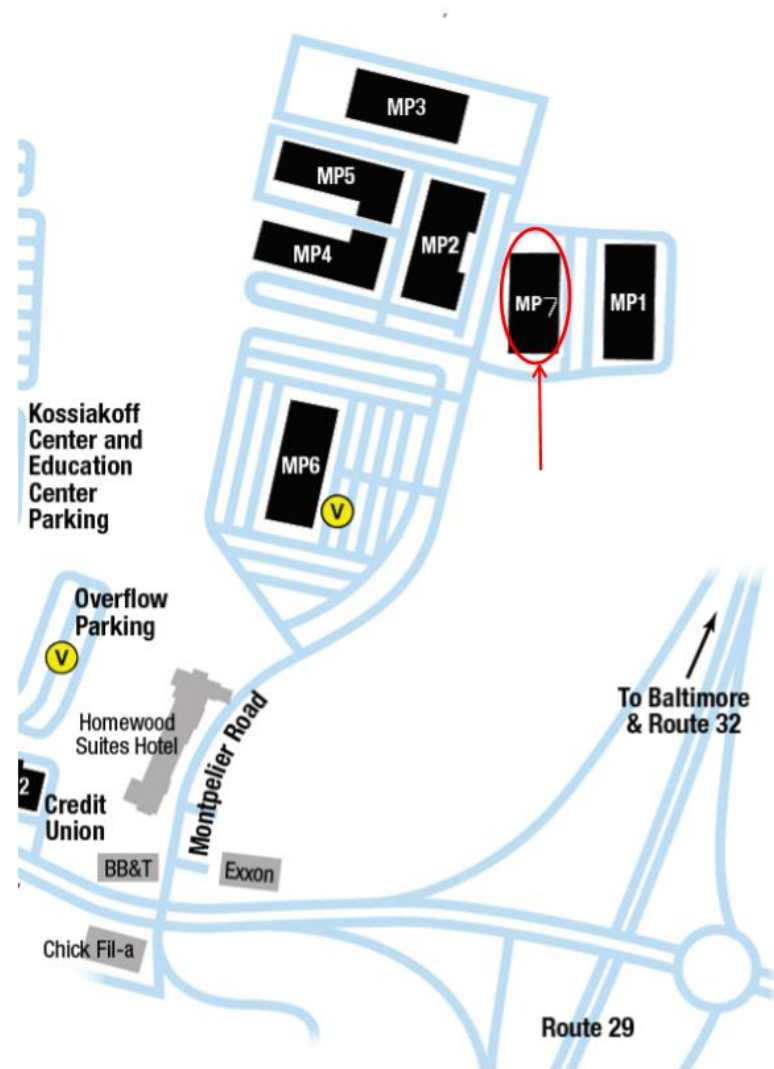

UAV Systems & Control, Module 1G

■ Course Hardware

Hardware Pickup

- Please send us your mailing address so we can determine if you will need to pickup your hardware kit, or if we will mail it to you.
- If you are a student who lives within about 30 miles of Johns Hopkins University Applied Physics Laboratory, you may be expected to come pick up your hardware in person before Module 3.
 - Kits can be picked up at Montpelier 7 (MP7) Room 150, 7710 Montpelier Rd, Laurel, MD 2072.
 - Hours are 8:00 AM – 10:30 PM Monday through Thursday, and 8:00 AM to 4:30 PM Friday.
- Before you make the trip, please tell us when you will be doing so.
 - Kits can normally be picked up from Tracy Gauthier (Room 150)
 - If she is not there, I will leave the kit outside of her office with a post-it note on it
- At the end of the semester you are asked to return your kits
- If there are any extenuating circumstances please let us know, and we will work with you to ensure you receive the kits.

MP7 Center Location

Hardware By Mail

- If you live farther than about 30 miles away, you will receive your hardware kit via FedEx before Module 3.
- Please keep the shipping box and return box.
- At the end of the semester, please return the kit via FedEx in the return box.
 - In box 3 use address:
JHU-APL
11100 Johns Hopkins Road, MP7-150
Laurel, MD 20723
 - In box 3 put the recipient: Tracy Gauthier
 - In box 1, fill out your address
 - Box 2 can be left blank
 - Select “FedEx Express Saver” in box 4
 - Select “FedEx Box” in box 5
 - Select “No Signature Required” for box 6, and select “No” for question “Does this shipment contain dangerous goods”
 - Select “Recipient” in box 7 for billing information, and fill in the FedEx Account number in the line below: 254340782
